The company behind “Pink Mice” is Macabama Group LLC, 5203 Juan Tabo Blvd. Suite 2a + 2b, Albuquerque, New Mexico, We@Macabama.com, +1 (505) 514 0014. This presentation of the show concept, the according documents, and the website <https://www.Pink-Mice-The-Show.com/crowdfunding/> are for informational purposes only and are provided to potential funders to outline the concept, vision, and proposed plans for “Pink Mice – The Show” (the “Project”). The information contained herein does not constitute an offer to sell or a solicitation to purchase any securities, investments, or financial instruments.

### No Guarantee of Success

The execution, development, and completion of the Project are subject to various risks, uncertainties, and assumptions, some of which may be beyond the control of the Project organizers. There is no guarantee of financial success (which equals the longevity of the show), the achievement of creative goals, or the commercial success of the Project. If the funding campaign falls short of the organizers' expectations, it may even be that the show cannot be produced at all due to underfunding. For the first four episodes, US\$ 240.000 is needed. The organizers will start this Project once the funds are sufficient for the Development, Pre-Run, (Pre-/ Post-) Production, Release and Promotion of the first two shows. You are aware of this fact and will not claim funds back.

### Risk Factors

Funders are advised to seek professional advice before making any financial commitments. Potential risks associated with the Project include, but are not limited to:

- Market fluctuations and economic changes that could impact funding or revenue generation.
- Underfunding, in the sense that funding is not sufficient to produce, release, and promote the first four episodes of the show.
- Regulatory or legal changes that may affect the ability to produce or distribute the Project
- Unforeseen production delays or technical difficulties like loss of material.
- Changes in consumer demand or shifts in the entertainment industry.

### Force Majeure

The organizers shall not be held liable for delays, failures, or the inability to complete the Project due to events beyond their reasonable control, including but not limited to acts of God, natural disasters, pandemics, acts of war or terrorism, labor disputes, or governmental restrictions (collectively, “Force Majeure Events”). In such cases, the project can be delayed, changed or, if necessary, canceled without the organizers or other parties involved being liable.

### Forward-Looking Statements

This document may contain forward-looking statements that reflect current expectations and projections regarding the Project's development, timeline, and outcomes. ### Shipping Costs of Goods

In case the shipping of Goods to you would cost more than USD 100, we are not obliged to ship the respective items to you except you are willing to pay the excess amount.

### Flexible Funding Campaign

We run a flexible Funding Campaign that allows us to keep your funds even if our funding goal is not reached. The collected funds will be used to push this project as far as the funds carry us. You understand and agree that we may not be able to fulfill some of our perks if the funding does not reach our goal: We can, exemplarily, not mention you as an Executive Producer in 3 episodes of the show if the funds only allow us to produce one single episode. You will not claim your money back in such cases (your money is used for this project. The use of your money for this project is your clearly expressed will due to the decision to fund this project) and you understand that we are not liable or responsible for such situations.
